

## Rapides Habitat for Humanity

Founded in 1989 by Norman Martin, JoAnne White, and other community members, Habitat is responsible for building and/or rehabilitating 76 homes in Rapides Parish.

Habitat's nonprofit, ecumenical Christian housing ministry exists to eliminate poverty from the community by building affordable, decent, and safe housing in partnership with deserving families in need.

Partner families invest three hundred fifty "sweat equity" hours building their home and the homes of others. Once their home has been built, these families purchase the houses at no profit, through interest-free loans.

The driving force behind the organization is its volunteers and sponsors, who give Habitat's vision a tangible form. Individuals, churches, organizations, and companies support Habitat's mission via tax-deductible donations of money, land and materials.
